**Sunday 22 April 2018
10th Datsun Fairlady roadster meeting**

We invite you to our annual meeting at Garagebedrijf Klimmert. Your hosts for the day will be Richard Klimmert and Erica Oost.

Reception is open from 11:00 shortly after we will have lunch in our shop. Thereafter we make a roadster tour and return at our shop for some drinks.

This organized day, with some nice goodies to remember our 10th anniversary, is offered for €10,- per person. I would like to have the payment and your registration before 15 April.

If you have a non driveable roadster we will be happy if you join us with another (daily driver) car. If you have a food allergy let me know.
